Self-Service Password Reset (SSPR)

Have you ever called the IT Service Desk to unlock your account or reset your password? With Self-Service Password Reset (SSPR), you can now do both without ever having to call for help! Follow the simple steps below to get started today.

Note: The SSPR and Multi-Factor Authentication (MFA) registration experiences have been combined into one single interface so completing the steps below will also register you for MFA.

Get Started Today

Register

2. Configure at least mobile phone and personal email as authentication methods.

Unlock Your Account
1. Bookmark unlock.web.analog.com on all your devices

2. If your mobile device is enrolled with ADI using Microsoft's Intune Company Portal, you can also install the SSPR mobile app from the Comp Portal App store. Note: This app is simply a shortcut to unlock.web.analog.com
3. The next time your account gets locked or you forget your password, visit unlock.web.analog.com on any device.

4. Select *I forgot my password* if you want to reset your password or *I know my password, but still can’t sign in* if your account is locked.

5. Authenticate using the method of your choice and then follow the on-screen prompts to unlock your account or reset your password.
